Exercise is an important way to keep healthy. For sure, having an exercise habit is also very important. How to make it? The following can help you.

Start slowly. If you dislike sports but want to have an exercise habit, you can exercise a little at first. Then you can do it more day by day. For example, walk for 10 to 15 minutes at a time first. After 1 to 2 weeks, walk up to 30 minutes. Try to walk quickly, too. That's to say if you walked 1 kilometer in 15 minutes before, you can walk 2 kilometers now.

Cut into parts (部分). You can cut your exercise time into some parts. Then you won't feel tired easily. When you feel relaxed, you'll be interested in it. Of course, you'll feel the exercise is enjoyable and love it. It's a good way to exercise five or ten minutes at a time.

Take different kinds of exercise. To make your exercise life wonderful, you can do different kinds every day. For example, you can walk on Monday and Tuesday. Then you can swim or run from Wednesday to Friday. On weekends, you can ride your bicycle to the mountain. It's a good way to relax you and it can help you have the right habit. On sunny days, you can exercise out of the door. Of course you can take exercise at home on rainy days. Then you won't feel bored through these different kinds of exercise.

63. What do you need to do if you don't like sports but want to have an exercise habit?
 A. Cut its time into parts. B. Take a little exercise first.
 C. Try to walk quickly. D. Do different kinds of exercise.
64. How long does the writer think it takes to exercise at a time?
 A. Five or ten minutes. B. Ten minutes.
 C. Twenty minutes. D. Thirty minutes.
65. Why do we need to do different kinds of exercise?
 A. To make exercise life wonderful. B. To make more friends.
 C. To have a good time. D. To make exercise enjoyable.
66. Where can we read this passage?
 A. In a story. B. In a dictionary. C. In a notebook. D. In a newspaper.

D

One day, Jeff saw all his teeth were broken in a dream. Only one big front tooth was left. He got greatly unhappy by such dream.

In the morning, he told his dream to one of his friends and wanted to know its meaning. Peterson said he could ask a dream doctor for help. Then a doctor came to tell him, "Your dream is a bad one. It means all your relatives (亲戚) will die one by one before you."

Jeff felt very sad and mad. He asked the man to leave at once. After that, he asked another doctor for help. This is a smart one. He said, "Your dream is very good, and you don't need to

worry. Its meaning is that you will live a longer life than any of your relatives.”

After listening, Jeff was so happy that he gave lots of money and gifts to this doctor.

When the first doctor asked Peterson why, he said, “In fact, both of your meanings are the same, but you don’t use the right way. When we meet something, the right way we describe it makes a big difference to the result.”
