PED (Partial eclipse disease) is a kind of bad eating habit. People with PED only like or dislike some kind of food. It happens to babies and children most. Some old people have such a problem, too.

Why does it happen?

You are one of the main reasons. When you don't eat some food often, your children see it and soon follow you. Also, too much love from the one-child family makes children get bad eating habits easily. Some children with low Zn levels might have PED, too.

What do children with PED usually do?

When you find your children have one of such symptoms, you have to take it seriously.

*Only eat meat for a meal, leaving rice there

*Never eat vegetables but always eat so much junk food

*Enjoy all drinks such as cola, milk and yogurt and they even think of them as main food

*Eggs are their favorite food and they eat at least three to four eggs a day

How to help your children with PED?

Add Zn to children's food. Try to let children eat more food with Zn such as fish, liver (肝脏), oysters (牡蛎) and other kind of meat.

Sometimes medicine with Zn is necessary too. Set a good example for them. You are the best teacher for your children.

45. How many reasons are there about why PED happens? ____

- A. Two B. Three C. Four

46. What do children with PED usually do? ____

- A. They never eat junk food
B. They don't enjoy drinking cola
C. They eat too many eggs a day but never eat vegetables

47. Children lack of Zn should eat more food EXCEPT ____.

- A. Fish B. hamburgers C. liver

48. Which of the following is TRUE? ____

- A. PED happens to the adults most
B. It's good for children to enjoy drinks all the time
C. To help children with PED, you'd better add Zn to their food

第二节 阅读下面一篇短文,从短文后的选项中选出能填入空白处的最佳选项。选项中有一个多余选项。完成 49—53 题,共 10 分。

Life is full of regrets. 49 At that time, I failed my English exam.

On a winter afternoon, I sat on my seat and waited for the English exam. 50 After the exam, we would enjoy our winter holidays. I did not worry about the exam because I was good at English. 51 I thought it was not necessary to review English. In my opinion, it would be easy.

Soon the teacher entered the classroom several minutes in advance. Then she gave out the test papers to us. At first, I thought it was easy. However, when I finished half the paper, I felt it was increasingly difficult. I had ever learned some words but I just could not remember them. 52 I knew that I would fail in the exam. I regretted not preparing well for it. And I regretted being too proud of myself.

The hours passed quickly, and we all had to hand in our test papers. 53 The experience taught me a lesson, "Hard work is the only key to good result."

- A. After school, I walked on the way home with a heavy heart.
B. Time passed, and I fell asleep finally.
C. It was the last exam of the term.
D. And I was the so-called top student in my class.
E. What's worse, I was influenced by these difficulties and my brain was in a mess.
F. The most regrettable moment of my past years happened in my junior high school.

第三部分 非选择题

III. 阅读下面一篇短文,根据其内容填空。完成 54—58 题,共 10 分。

Communicating with people is very important. But how can we communicate with strangers? There are some methods that can help you communicate with others well.

Be brave. We underestimate (低估) how much others like us when we first talk to them according to the research. So we are not as boring as we think! What we should do is to be brave to communicate with others.

Focus on what we have in common is a good thing. It will make us feel less nervous. When we find what we have in common with others, we will have a lot to talk about. It is a good way to develop a relationship.

Using a smile is good. Smile is a sign to tell others that you are kind and easy-going, which will leave a good impression on others. Be sure that you treat others with kindness. Is the other person enjoying your talk? You can also watch the signs on their face.

When the pleasant communication is over, you have to express expectation of talking again. For example, you can say "I am very happy to meet you and hope to have the chance to communicate again and become friends." Take the active position to give contract (联系) information to others.

Just like everything else, talking to strangers is easier if you practice. And don't worry if any stranger isn't nice. You don't expect every book you read to be great. Conversations are the same way.

54. If we talk with strangers, we should communicate with them ____
55. In order to develop a relationship, finding what we ____ with others is good way.
56. Others can know that you are kind and easy-going through your ____
57. After a pleasant communication, what you must do is to express ____ again.
58. After reading the passage, you might ____.
