Dear Sally

I'd like to tell you something about my friend and my school life.

First, I want to introduce my new friend to you. Her name is Millie and she is thirteen years old. She has short hair and big eyes. She is tall and cute. She loves reading and she is in the Reading Club now.

As for my school, I really like it. It is beautiful and clean. It's not big but modern. I like all the subjects because they are all interesting. Of course, my favorite subject is English and I am good at it. All my teachers are nice to me, and our classmates often help each other. We often play games together after class. My home is not far away from my school. It takes me 10 minutes to walk to school.

I am always happy in the school. I want to be a teacher when I grow up.

All the best,

Betty
