B. All of the people in the country got their own seed.

C. David planted his seed and looked after it well every day.

D. The king did not choose David as the new king at last.

B

You might travel to the countryside or other countries in the past. But have you ever traveled in space?

On July 20th, 2021, Amazon founder(亚马逊创始人) Jeff Bezos went on a 10-minute trip to space rising more than 104 kilometers into the sky. He didn't go alone. He had three other people with him. The first passenger is his younger brother Mark. They come from the same family. The second passenger is an 82-year-old woman called Wally Funk. She becomes the oldest person to go

into space. She was one of 13 female pilots who went through the same tests as NASA's Mercury 7 astronauts in the 1960s. But she never went to space because only men were allowed at that time. Finally, a teenager called Oliver Daemen also joins the trip. He becomes the youngest person to go into space.

Over the past six years, Jeff Bezos' company, Blue Origin, had carried out 15 successful tests without people, and engineers decided that the New Shepard was finally ready to carry passengers. The company also carefully selected the passengers. Although they didn't need to do much training before the trip, they still had to meet the following requirements.

Main requirements for passengers

- . They must be 18 years or older.
- . They must be healthy enough to climb seven flights of stairs in a minute and a half.
- . They must be from 1.5 m to 1.9 m tall and weigh from 49 kg to 101 kg.

19. What do we know about Jeff Bezos?

- A. He was the oldest passenger in the trip.
- B. He took the trip with three other people.
- C. He accepted strict training before the trip.
- D. He began to prepare for the trip seven years ago.

20. In the 1960s, Wally Funk didn't go into space because _____.

- A. She was too old to go B. She didn't pass the test
- C. Only men were allowed D. Only one person was allowed

21. Which of the following person can't take the trip?

	Age	Time to climb seven flights of stairs	Height	Weight
Jack	21	80''	1.75 m	80 kg
Lucy	25	100''	1.6 m	65 kg
Tom	42	75''	1.8 m	90 kg
Mary	19	60''	1.55 m	55 kg

- A. Jack. B. Lucy C. Tom D. Mary

22. The passage talks about the following things EXCEPT _____.

- A. how the passengers spent their time during the trip
- B. the information about the passengers in the trip
- C. the requirements for passengers to take the trip
- D. how Blue Origin prepared for the trip
