Dear classmates,

I'm glad to be here to share my favorite book, *Journey to the West*. The book written by Wu Chen'en is regarded as one of the greatest classics in China. The Monkey King, one of the main characters, keeps fighting to help the weak and never gives up.

I have had the book since two years ago. My father bought it for me at the beginning of my junior high school. He encourages me to learn from the Money King and not to give up my dream. No matter what difficulty I meet, the book reminds me to keep on working hard and I have made much progress in my study in the past two years. It really has special meaning to me.

That's all. Thanks for your listening!
