Hello, everybody,

It is my pleasure to say something about my healthy life. As a middle school student, I exercise for an hour every day. I like vegetables and eat them every day. I also like fruit and eat it twice a day. I don't like junk food, so I only eat junk food once a month. And I sleep nine hours every day.

I really hope that everyone can exercise once a day and have enough sleep. I wish everybody can have a healthy life.

That's all for my speech. Thank you for your listen!
