Rural revitalization (乡村振兴) is a key part of China's 14th Five -Year Plan. In June 2021, it became a national strategy (策略). Nowadays, some young people return to their hometowns to start a business.

Zeng Qinghuan from Hunan Province, has turned her village into a livestreaming (直播) room, using e-commerce to help villagers live a better life. During the past two years, she has posted about 370 short videos showing the culture and life of people in her hometown. Through livestreaming, she has sold more than 100 million yuan worth of local agricultural products (农产品), like fermented tofu.

Zeng used to work in big cities, but later she found that she could build a career (事业) in her hometown. "I'm a daughter of the great mountains. I can also be a **contributor** to village development in this new age." she said.

Although Zeng meets lots of difficulties, she always says, "All I did is not to make myself get out of the poor hometown, but make my hometown get out of poverty (贫困)." She hopes that more young people can go back to build their hometowns.

In 2021, she put forward a proposal (建议) named "each village has one product and one livestreaming host of its own". Soon the countryside will become a big stage. With the hard work of all people, great changes will take place there.

49. When did Rural revitalization become a national strategy?
 A. One year ago. B. Two years ago. C. Five years ago.
50. How does Zeng introduce the culture and life of people in her hometown?
 A. She cooks fermented tofu on Douyin.
 B. She posts short videos on Douyin.
 C. She sells local art products on Douyin.

51. What does the underlined word “**contributor**” mean in Chinese?
 A. 建设者 B. 旁观者 C. 快递员
52. Why does Zeng build a career in her hometown?
 A. Because she doesn't like working in big cities.
 B. Because she plans to teach other livestreaming hosts.
 C. Because she wants to make her hometown get out of poverty.
53. What can you learn from the passage?
 A. Young people can play a role in building hometowns.
 B. Livestreaming is the only way to realize Rural revitalization.
 C. All young people will return to their hometowns to sell products.

The year 2022 is the 100th anniversary (纪念日) of the founding of the CYLC (中国共青团). Do you want to know more about it? Let's take a look.

100 years ago, the CYLC was born in May in Guangzhou. In 1932, the first Central School of the CYLC opened in a small village of Ruijin, Jiangxi. In 2003, *Glory! The CYLC* became the song of the CYLC.

“We are like the sea of flowers in May, embracing the new era with youth (青春).” The song was written by Hu Hongwei. He felt that young people was as lively as flowers. So in his lyrics (歌词) he compared youth to a sea of flowers in May.

During the 100 years of the CYLC, millions of members have given their youth — even lives to our country.

Deng Zhongxia was one of the early leaders of the CYLC. He refused a job in the government and served the people in his own way. He made speeches in public, trying to boost (激发) patriotism (爱国情怀) among local youth.

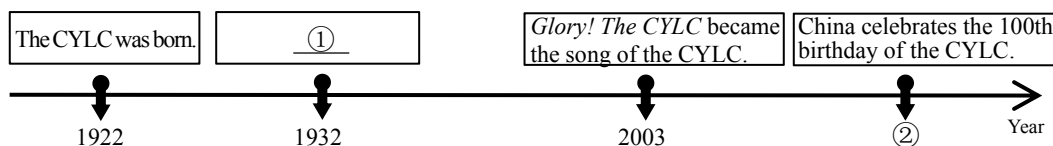

Serving the people is Lei Feng's life goal. After knowing the country needed more young soldiers, Lei gave up his high pay and joined the PLA. Though Lei lived short lives, his spirit lives on.

Now there are many CYLC members around us. Yang Yuxin, from Shanghai volunteers to teach English in a small village. He thinks serving the people is his responsibility (责任). He is trying his best to open a window to the world for his students. In his students' eyes, he is like a superhero.

The three members are all good examples for us to follow. As youth in new age, we should learn from them, study harder and serve people better.

54. Please complete the information about the CYLC in the chart.

55. Why did Hu Hongwei compare youth to a sea of flowers in May?
 56. Please translate the underlined sentence into Chinese.
 57. What is the common goal of the three members in the passage? (Three words)
 58. How does Yang Yuxin act as a CYLC member?
 59. Are you a CYLC member? What will you do in the future?
