Many people say they have seen UFOs. Here is one famous story. It is called the Rosewell Incident and it happened in the US in 1947.

Person A (name not given): My wife and I were sitting outside because it was a warm night. Suddenly we saw something very bright flying through the sky.

Person B (William Brazel, a farmer): I found some pieces of strange metal on my farm. I called the army. Major Marcel came and collected the pieces. He told me not to talk to anyone about this.

Person C (Major Marcel): I went and collected the pieces. I gave them to an army expert. He said the pieces came from a weather balloon. However, since I have not seen this kind of metal before, I think this was a lie.

Person D (name not given): My parents and I were in the countryside. Suddenly we saw a silver spaceship on the side of the hill. There were the bodies of three aliens lying on the grass. Then some soldiers came and told us to leave.

- So what is the truth?
- ☆ Perhaps some or all of the people lied.  
☆ Perhaps a US rocket crashed and people thought it had come from space.  
☆ Perhaps an alien spaceship really crashed in Rosewell.

30. Who works in the army?
- A. Person A.              B. Person B.              C. Person C.              D. Person D.
31. Where did Person B work?
- A. In space.              B. On the farm.              C. In the city.              D. In the army.
32. What did Person D see?
- A. A silver spaceship.                      B. Some pieces of metal on the farm.  
C. Something bright flying through the sky.              D. A weather balloon.
33. Which of the following is the writer's idea?
- A. He believes all the people are telling the truth.  
B. He thinks perhaps an alien spaceship really crashed in Rosewell.  
C. He thinks perhaps a UK rocket crashed.  
D. He believes that Major Marcel knew the secret.
