Cubans are quite friendly to visitors. If you have left a good impression on the family, the host will share everything about his family with you, such as their experiences, hobbies and family plans. Of course, they maybe invite you to take part in their family activities. There is a special custom in the New Year in Cuba. On the night before the New Year, Cubans like to prepare a bowl of clean water for each of them. After the clock strikes the twelfth, everyone takes the bowl of water outside to greet the happiness and wishes of the New Year.

When visiting Cuba, you should prepare yourself for the sweet food of this country well. Even some of them maybe make you feel not good. That is because Cuba can produce more sugar than other countries. Cubans like to drink strong drinks as well as the ice cold beer. While drinking, Cubans talk with guests happily. They dislike eating mutton and seafood. But fruit is their necessary part of a meal. Quite often they drink juice made from fruit.

Cubans think Friday and thirteen are unlucky. And they hate to wear hats, because it means that one of their relatives has died. Every country has its own customs, food, culture and so on. In my opinion, Cuba is really a wonderful place.
