Now pollution is getting worse and worse, especially air pollution. So more and more people start to realize the importance of environment.

In my hometown, Qiqihar, the air is fresh and we feel comfortable every day. It's pleasant for us to work and study. It's our duty to protect the environment.

As a student, we should do what we can to protect the environment. We can drive less and take the bus to school or walk to school. We can reuse the paper and try not to throw the rubbish away. We can turn off the lights when it's bright enough in the room.

In a word, we should try our best to protect the environment. We can have a beautiful world.
