### My Favorite Story Book

My favorite story book is Snow White. I began to read it when I was seven years old. 【高分句型一】

I love the story very much and I have read it many times. (开篇点题)

It is an interesting story. Snow White is a lovely girl. She is very kind to people. But her mom died. Her new mom is a bad woman. She thinks Snow White is more beautiful than her. So she wants to kill her. However, she was saved by seven short boys. Then they live happily together. (故事梗概)

From this story, we can learn that kind people will be very lucky. 【高分句型二】The god may pray for them. So we should learn from Snow White. We should be a kind person and help each other. (我的感受)
