Dear Emma,

How are you? I just got back from school with good news. Tomorrow we are going to have the *third* (第三) Tiangong Class.

The last two Tiangong Classes were very *amazing* (令人赞叹的). The teachers were **taikonauts** working in Tiangong, the China *Space Station* (空间站).

From the last two classes, I got to know a lot about science in *space* (太空). The taikonauts can't walk in the space station. They "fly". Water becomes magic in space. The taikonauts drink water by "eating" water balls. In the first Tiangong Class, they put a ping-pong ball in the water. Guess what? The ball stayed IN it!

I will tell you about the third Tiangong Class next time.

Love,

Taotao
