阅读（一）Food and health

Food is very important because it can make us strong and healthy. We have three meals every day. The most important meal is breakfast. If we don't have a good breakfast, we cannot work or study well. People in China usually have baozi, eggs, milk or soy milk for breakfast. We can eat well at noon, but we should not eat too much in the evening. To keep healthy, we can eat many kinds of food, such as fruits, vegetables, bread, noodles, rice, eggs and meat.

Some people like western food. KFC sells American food. Pizza Hut sells Italian food. But now many foreigners like Chinese food very much. You can find a lot of Chinese restaurants in foreign (外国的) countries.
