One possible version:

I want to design a T-shirt, a skirt and a pair of boots. I'm sure they will look cool on anyone. The T-shirt is made of silk and the skirt is made of cotton. I think they are very comfortable. The boots are made of leather.

The colour of the T-shirt is light blue because I think this colour makes the T-shirt look clean and it matches any other colour.

I'm going to design a grey skirt. It is not too long or too large. It looks fashionable and I want it to be comfortable to wear.

I'm going to design a pair of white boots. They must be light and comfortable. They will be popular among young people.
