作文范文:

I'm Li Hua, from Class 1 Grade 9. China is an ancient country with rich culture. In my opinion, the cultural symbol of China is sky lanterns. It's one of the cultural treasures of China.

Sky lanterns have been around for thousands of years. Many people no matter young or old enjoy them. The sky lanterns, usually made of wood and covered by paper, can be lit and slowly rise into air. In ancient China, they were sent out to ask for help. Nowadays, sky lanterns are used at different kinds of festivals and celebrations, they're seen as bright symbols of happiness and good wishes.

Sky lanterns express the rich culture of China. They should be known by people all over the world. I believe sky lanterns can become a bridge between the Chinese and foreign cultural exchanges.

I hope my idea can be taken. Thanks.
