One possible version:

As we all know, good manners are very important in our daily life. But we often see some bad behavior around us. For example, we often hear some people speak and laugh loudly in public. Some people cut in line while others are waiting.

That makes me unhappy. Something must be done to make our environment more and more beautiful. We should try to behave politely. When we are at the bus stop, we should wait in line and take turns to get on the bus. When we are on the bus, we'd better offer our seats to those who are old or sick.

Work hard together, and our world will be a better place to live in.
