W: My friend Frank says he prefers life in the countryside. Every summer vacation, he usually goes to the countryside to live with his grandparents. There are lots of animals on the farm and sometimes he helps his grandfather feed them. His grandmother cooks three meals for them. The farm is a little far from their house, so his grandfather gives him a bike. Frank likes the bike very much and usually rides it to the farm to help with some farm work. He likes the country life so much that he doesn't want to leave when the vacation is over. "The time in the country is interesting and exciting, but a little short. It is the happiest time of the whole year," says Frank.

W: Oh, I see. By the way, who takes the art club?

M: Mr. Black, the art teacher.

W: I like him. How often does the club meet?

M: Once a week. We usually meet on Thursdays, after school. But it's sometimes on Tuesday evenings. Why don't you come along?

W: Good idea. Hey, when is the next lesson?

M: In two minutes. Come on. Mr. Smith is usually unhappy if students arrive late!

### 第三节

M: Last week I was very busy. I had lessons in the morning on Monday, and I had to go to the doctor in the afternoon. On Tuesday I went for an evening run after school. On Wednesday I had lunch with my grandparents. And I went to the Sports Center to watch a baseball match on Thursday. And on Friday, I went to a dancing club with Alan. On Saturday morning, I cleaned my room, and then my friend Nick and I took a walk in the park. As usual I went to the movies with my sister on Sunday. It was a busy week. #### What I do for my health

As the saying goes, "Health is the first wealth." So I do a lot for my health.

First, I have a healthy diet. I hardly ever eat junk food and I like drinking milk and eating vegetables. Having a big breakfast is a daily routine for me. Second, I enjoy doing different kinds of sports such as running and playing basketball. I keep running for half an hour every morning. Third, I usually sleep early and get up early. I know it's unhealthy to stay up late. Last but not least, I always try my best to keep a good mood. Sadness and anger are truly bad for our health so I often remind myself that I should be optimistic toward my life.

Now I am healthy and happy. What about you?
