### 六、书面表达

#### How to live a healthy and happy life

Hi, my dear classmates, A healthy and happy life is important for everyone, then how can we students live a healthy and happy life?

Firstly, we should keep our bodies healthy. We need to eat healthy food and we also need to exercise every day. For example, we can run for 30 minutes every morning or play sports after school. And, we also need enough sleep every day. Secondly, mental health is also very important. We need to love our life and try to be active. We need to get along well with others as well.

In a word, I hope everyone can have a healthy body and mind, and then we can enjoy a better life every day.

That's all. Thank you!
