Trixie Johnson is a 10-year-old girl from New York City. She likes staying up late to watch movies on her iPad. Sometimes because she does not have enough sleep, she feels tired at school next morning.

Just like Trixie, many students feel tired at school in the morning. The kids aged between 6 and 13 need nine to eleven hours of sleep each night, but most of them get less than that.

What takes the kids' sleep time away? Smart phones and tablets(智能手机和平板电脑)! A scientist said, "The kids who have these things in their bedroom often get about half an hour less sleep than those who don't. "

Scientists think a good night's rest is important to students. "The students who sleep enough can learn much better at school than those who don't," another scientist said.

Trixie's mother said her family decided to make some new rules for her daughter. "We are going to limit(限制) Trixie's screen time and ask her to go to bed earlier than before. We hope these rules can help Trixie to sleep well for school," she said.

When people take a vacation, many choose to visit places of interest. But can they always enjoy it? The fact is only some of them can get pleasure sometimes. What

makes one trip more enjoyable than another? The most important is to plan well.

First, choose a right season to travel. Many places of interests have special beauty and activities in different seasons. Summer is the best season to swim in the sea. If you enjoy making a snowman, you should go travelling in winter.

Second, you must find right vehicles. Travelling by plane is quick but expensive. But you will have to miss the beauty along the way. If you have enough time and want to enjoy the beauty out of the window, you can take the train.

Third, traveling always makes you tired. So finding a nice hotel to have a good rest is necessary. We'd better make sure what kind of room we need. How are the conditions of the room? What's the price of the room?

Every minute that you spend in planning your trip may save your ten minutes of trouble during your trip. It may also add an hour of pleasure!

- () 61. What is the most important to take a vacation?

As teenagers(青少年), you have many dreams. These dreams can be very big, such as winning the Nobel Prize(诺贝尔奖), or they can be very small, such as becoming one of the best students in your class.

Once you find a dream, what do you do with it? Do you ever try to make your dream come true?

Andrew Matthews, an Australian writer tells us that making dreams come true is the biggest challenge(挑战)in life. You may think that you're not very good at some school subjects, or that it is impossible for you to become a writer. These kinds of ideas stop you from realizing(实现)your dream.

Remember your dream and don't let it leave your heart. Keep telling yourself what you want .Do this step by step (一步一步地) and your dream will come true faster, because a big dream is made up of many small dreams.

You must also never give up (放弃) your dream. There will be difficulties on the way to your dream, but the biggest difficulty comes from yourself. You need to decide what is the most important. Studying instead of (代替, 而不是) watching TV will help you get better exam results, while saving (节省) 30 yuan instead of buying a toy means (意味着, 意思是) you can buy a new book

As you get closer (接近) to your dream, it may change (改变) a little. This is good because you have the chance (机会) to learn more skills and find new interests.

How to keep healthy

Everyone wants to be healthy. But how can we keep healthy? Here are my ideas.

First, we should have healthy eating habits, such as eating more fresh fruit and vegetables and having breakfast every morning. Second, we should do more exercise. It is good for the mind and the body. Third, we can take up a hobby. It can help us relax and keep healthy.

There are some things we shouldn't do. We shouldn't eat too much junk food. We need to have a good sleep, so we shouldn't stay up late. And we shouldn't worry about too many things.
