Do you know Emotional Quotient(EQ)? It's a kind of important ability that helps us better understand ourselves and others. Here are some 41 about having high EQ.

**You should research your feelings.**

That's a 42 of high EQ. You don't just feel. You think about how you are feeling and try to understand 43. Doing so helps you understand the role emotions(情绪) play in your own and others' behavior.

**You should take your time.**

You know emotions and feelings appear in a short time and that making 44 decisions leads to bad results. That's why you should take time to calm down before speaking or 45, especially when you realize you're under the control of emotions.

**You should pay attention to your thoughts.**

You can't always control your feelings. Outside stimuli(刺激) can cause you to feel happy, excited, sad or 46 angry. But you should realize that you can influence how those feelings develop. As the old saying goes, "You can't stop a bird from landing on your head, but you can 47 it from building a nest(巢穴)."

**You should praise(表扬) others.**

You look for the good in others. When you find it, you can tell them what you 48 and why. By doing so, you lift others up and bring out the best in them.

**You should learn from mistakes.**

No one can be 49 in managing their emotions. But you may work hard to learn from those mistakes, to study your own act, 50 reasons and build habits that will help you improve situations.

I often hear some students say English is difficult, and it gives them a headache. But English is very easy for me. I'm good at it. I'm very glad to tell you something about how I study English.

First, I think an interest in English is very important. When I learned English first, it was fresh for me. I was interested in it, so I worked hard at it. Soon we had an English exam and I got a very good mark. How happy I was! After that, I learned English harder and harder. Our English teacher often teaches us English songs, and the songs sound nice. I often think how interesting English is!

Second, I think English is a foreign language. I should learn it well in the following ways: Listen to the teacher carefully, speak bravely, read aloud and have a good vocabulary. Then practice again and again, never be tired. And I also have a good habit: Asking whenever (不论何时) I have a question. I must make it clear by asking our English teacher. How happy I am when I understand!

Besides this, I often read English stories, jokes and easy novels. They help me understand a lot of things. So to do more reading is an important way to learn English well. And I also write English diaries. English has become a close friend of mine.

54.Why do some students often “have a headache”?

- A.Because they are easy to catch a cold.

- A. Speaking bravely.
- B. Writing to foreign friends.
- C. Reading aloud.
- D. Writing English diaries.

C

In Xi’an, there are special sidewalks for the phubbers(低头族). Different students have different opinions on it.

<p><b>Li Minyi, 14, Beijing</b></p> <p>This special sidewalk can keep people who are always looking at their phones safe and protect them from accidents. People might feel much freer when using this sidewalk, because they used to knock into(撞上) someone else on a crowded one.</p>
<p><b>Huang Xi, 15, Jiangsu</b></p> <p>It just encourages people to keep looking at their phones. If everyone only pays attention to their mobile phones while walking, sidewalks like this will be useless and accidents would still happen.</p>
<p><b>Chen Yechun, 14, Hubei</b></p> <p>Mobile phones have made a big difference in our lives. It seems that many people can’t live without them. Every year, many people get hurt or lose their lives because they are playing on their mobile phones while walking. So why not create a better environment for them? The special sidewalks can protect them from danger.</p>
<p><b>Sun Run, 14, Zhejiang</b></p> <p>Smart phones are making a difference to our lives too much. They keep us away from the beauty around us. A special walkway for those is indulgence(纵容). Can’t people put their phones down for a while and enjoy a beautiful day? This is what we should encourage.</p>

The Internet, mobile phones and iPads are part of our lives now. They have changed our lives a lot, from the ways we work to the ways we play.

Here are some other examples of modern technology that is changing our ideas and lives greatly.

### **Global Positioning System (GPS)**

It's a system(系统) that shows exact information with the help of satellites(卫星). It tells where the user is on the earth in all weather conditions. It's made up of three parts: satellites, control equipment (设备) on land and receivers.

### **Space Technology**

Russian and American scientists have worked together for the International Space Station (ISS) for a long time. They hope the ISS will provide a long-lasting lab. It's even hoped that one day space technology will take humans to their new houses in space.

### **Underwater Robot**

Hercules is a kind of underwater robot with some high technology equipment. It is used to search for ancient ships which were destroyed into the deep sea during their journey long ago.

The world is changing so quickly that it's hard for us to catch up with all the new inventions because they seem to come out every month. However, we should try our best to learn about new technology and the role that it plays in our lives, or we will fall behind the times.

62. \_\_\_\_\_ can tell you where the user is on the earth exactly.

IX. 任务型阅读(共 5 小题;每小题 2 分,满分 10 分)

阅读下面短文,按要求完成 66—70 题。

“As soon as I get the job, I’ll be able to leave my hometown and stay away from my father,” Mike thought to himself on his way to a job interview. When Mike arrived at the office, he noticed that the door was open and that the latch(门闩)was out. Mike put the latch back properly, closed the door and entered the office.

On his way upstairs to the interview room, he noticed that the lights on the stairway were on, though it was very bright. He remembered his father’s order, Turn the lights off! So he turned off the lights.

As he entered the hall nervously and stepped on the “Welcome” mat(垫)near the door, he noticed that the mat was upside down. Mike remembered his dad’s voice again and he set the mat right.

Finally, Mike walked into the interview room and stood before the interviewers. After he introduced himself, one of the interviewers asked, “When can you start to work?”

“Is this a trick question or is this a signal that I have been offered the job?” Mike thought to himself. As Mike was thinking how to reply, the man continued, “We don’t ask anyone any question here. We watch everyone through cameras in this building. You are the only one who has passed our test today. That’s why we’ve decided to choose you for this job.”

Mike couldn’t believe it. He realized that good habits were really helpful. He couldn’t wait to tell his father the good news.

Dear Jack,

How nice to hear from you again! Now, I want to tell you something about my study.

In the past, I often studied hard at weekends. In the evening, I had much homework to do and didn't go to bed until 11:30 p.m. But now great changes have taken place since schools began to reduce learning load. I have a lot of time to do what I like. I can follow my own habits. I can read books, visit museums, have computer lessons and do some drawing at weekends. I don't have classes at weekends, so I can do what I want. In the evening, I can watch news on TV or read newspapers and can go to bed at 10:00 p.m. I also have time to chat with my parents and help them do some housework. All the students are happy about the changes of their life.

Best wishes,

Li Ming

请听第一篇短文,回答第 19—21 题。

Hello everyone! I'd like to say something before you read. It's very important, I think. First, you have to keep quiet when you read in the library, and you aren't allowed to make any noise. Second, you must take good care of these books and magazines. If you lose them, you have to pay for them. And the last one, you should put them back when you finish reading. OK. Now you can start. Magazines are on the second floor and new books are on the third floor. Remember our school library is open from 2:00 p.m. to 5:00 p.m. every day.

**Question No.19. What's the second rule about?**

**Question No. 20. Where are the new books?**

**Question No 21. How long is the library open every day?**

请听第二篇短文,回答第 22~25 题。

Steven talks little, especially with strangers. One day, he had to visit his friend Tom because Tom just moved house. Tom wrote his address on a piece of paper for Steven. The weather was rainy. When Steven arrived at Tom's town, he looked for the paper, but he couldn't find it. He only remembered Tom was in an apartment called Fenghuang Garden. He drove slowly along the street. Suddenly, he saw someone walking in front. He took a deep breath, stopped his car and said politely, "Excuse me, where's the Fenghuang Garden, please?" The man put away his umbrella. Guess what? The man was his friend Tom!.

**Question No.22. Why did Steven visit Tom?**

**Question No.23. What was the weather like?**

**Question No.24. How did Steven go to Tom's town?**

**Question No.25. Who did Steven ask for help on the way?**

V.听短文填空。下面你将听到一篇短文,短文读两遍。请你听完短文的第二遍朗读后,根据短文的内容和提示,在信息表中相应的横线上填入所缺信息。

Hello, everyone. Welcome to our museum. The restroom is on the first floor. You can leave your jacket or your bag here. The Children's Center is on the top floor and there's a small library there. Little kids might like to use it. The information center is just behind us. You can ask for help there whenever you're in trouble. The room across from the Information Center is a theater, where you can see a movie about the history of our museum. Now if you look in this direction, you'll see the main road. Follow it to the end and you'll come to the entrance. There is a bus station. Three buses stop over the station. Now you can walk around the museum on your own for a while. Hope you enjoy your time here.

听力部分到此结束,预祝同学们取得好成绩。
