范文:

Dear Tom,

I'm going to tell you something about the table manners in China.

First, you are not supposed to stick your chopsticks into your food. And you shouldn't point at anyone with your chopsticks. Besides, it's rude to speak loudly at table. I think it's good to wipe your mouth with the napkin after you take a drink. And it's polite to thank the hostess for the food.

I hope you can find my advice helpful, and I hope you will have a great time in China.

Best wishes,

Li Jun
