Hello, everyone! I'm Kitty! I work in this university library, and today I'd like to show you around our library and tell you how to use it. There are three storeys in our library. On the first floor, you can find all kinds of dictionaries, guidebooks and maps. On the second floor, there is a reading room. Different kinds of newspapers and magazines are there. But you mustn't take them out. On the third floor, you can borrow novels, storybooks and science books. Every time you can borrow two books at most and must return them in two weeks. OK, that's all. If you have any further questions about how to use the library, I'd be glad to help you.

Thank you.

Plans for the summer holiday

It's well known to us all that "The roses in her hand, the flavor in mine." Summer holiday is coming. I'll do some volunteer work in my community to make it better.

First of all, I'll go to our nursing home to help and cheer up the old people. For example, I can sing songs or tell them some funny stories. Second, I'm going to hand out leaflets on how to keep fit at our community hospital or other places. Third, I'm also planning to pick up and sort rubbish with my friends in our community park. Fourthly, try to be a community health worker who tell the citizens how to keep fit and healthy. Finally, I'll help the kids with their lessons and look after them as well.

I'm sure I'll have a meaningful holiday this summer.
