参考范文 1:

Last week, the activity “Experiencing Future Jobs” was held in our school. There were various jobs to experience, such as firefighter, doctor, game tester, etc, and all my classmates showed great interest in them.

As a fan of English, I chose to be an English teacher. I tried to act like Mary, my English teacher. I offered to help Tom with English grammar. So many times I had explained, but he was still confused. “A stone is cleverer than you,” said I, pretending to be angry. But thinking of how Mary encouraged us every time we met difficulties, I added, “But don’t worry. As long as you don’t give up, you will make it!” Both of us laughed.

What a meaningful experience! I realize how important a teacher can be to a student’s life. So I am now more determined to become a teacher in the future.

参考范文 2:

Last week, the activity “Experiencing future jobs” was held in our school.

With great interest, I stepped into the hall. The introductions of different jobs, such as firefighters, doctors and photographers hung on the wall were presented to us. The ‘dog trainer’ with a lovely dog attracted me. Raising and training pets is always a great fun for me. With the help of the trainer, I taught the dog how to sit and stand. I even successfully trained the dog to fetch a ball! The relationship I had with the dog rose my love for this job.

Thanks to this activity, I have got to learn more about the job of a dog trainer and explore more possibilities in myself. I have realized it takes passion and patience to do things right!

特别提醒：请阅卷老师仔细判断：

- 1、考生有无抄写。抄写（袭）的作品具有很大欺骗性，很大程度上会误导评卷奏快的老师。
- 2、注意书写工整的“假作文”。一些考生书写工整且写了一定的篇幅，却是直接抄写了试卷上的某些文段，其实所写的内容与答题要求根本无关。请老师们特别留意，注意鉴别！！
