I'm Li Hua. I really want to join the English club in our school. Now let me tell you something about myself. I am thirteen years old. I am in Class Eight, Grade Seven. My favorite subject is English because I think it is useful and interesting. I have some advantages. First, I speak English really well and I can sing a lot of English songs. Second, I like helping others in my free time. I'd like to join the club because I want to make more friends. Also, I want to help more classmates and learn from others.

Looking forward to your reply.

Yours,

Li Hua
