86. One possible version:

My name is Li Ming. I have made some plans for the coming winter vacation. First, I'll keep doing exercise and eat healthily every day because I want to have a strong body. Second, I'll hold a family gathering and cook delicious food to celebrate the Chinese New Year. Third, I'll make some New Year's resolutions. I want to read more books to prepare for the new term. When meeting problems or worries in life, I'll share them with my classmates. They can give me some advice. This can make me a better person. I'm looking forward to my happy winter vacation! I'm sure I'll have a good time.
