The FIFA World Cup 2022, which kicked off on Sunday Nov.21th, has attracted more than 1 million soccer fans to Qatar（卡塔尔）from across the globe. They went for their favorite stars and teams, sharing their love for the world’s most popular sport.

Enner Valencia scored two first-half goals as Ecuador（厄瓜多尔）beat hosts Qatar 2-0 in the opening match of the FIFA World Cup on Sunday. The result marked the first time that a host team has lost the opening game of the World Cup.

The FIFA World Cup 2022 will follow along the lines of recent editions, with a 32-team group stage to whittle（消减）the field down to 16 teams. Those 16 group-stage teams will advance to the single-game knockout（淘汰赛）stages — Round of 16, quarterfinals, semifinals, final — where the winner moves on and the loser goes home. There must be a winner on the day for every knockout-round match, and extra time and penalty kicks（罚点球）will be used, if necessary, to determine the victor.

Even without a home team to cheer for, Chinese fans and enterprises remain enthusiastic（热情的）about the Qatar World Cup. Support from China has also come in a more concrete（具体的）way, with most of the tournament’s stadiums, its official transportation system and its accommodation facilities（住宿设施）featuring contributions from Chinese builders and providers.
