It's only my third week at my new school and I love it! Today is Friday — the best day of the week at Central High School.

Why? My first class is music. I'm learning to play the drums this year and I love it! I practice the drums at lunchtime every day in the music room.

Then we have math. We do a test every Friday. After math we have English. I'm in the English class now—everybody is writing their projects called *A day at Central High School*. On the sports field, the soccer team is practicing for the match on Saturday.

Friday afternoons are great because we can choose our classes. This term I'm doing food technology. We have great fun. We make some fantastic dishes. Who says cooking is just for girls?

Hello, everyone. Welcome to Taiwan and nice to meet you all here! My name is Tony. I will be your guide. Now let me introduce our traveling plan.

We will travel around the island by bus to all the places of interest. In May, the weather in the north is cool and wet, but in the south it's hot and wet. So please always take an umbrella or a raincoat with you.

Remember to take your camera because it is really beautiful. While we are visiting places of interest, please stay with the group. If you get lost, don't worry. Just call me! We will stay here for five days. I'm sure we will have a good time!
