I ran back to the taxi, but the taxi was gone(开走了). That afternoon, I took a bus to the police office. There are many bags in the office. A police officer gave me a new one. But it's not mine. Mine is old, and it's blue. I was sad. Suddenly(突然) a man came into the police office. He took a bag in his hand. I was happy to see the taxi driver again(再次).
