Yuan Longping is the greatest hero in my heart. He solved the food problem for millions of people.

He was born in 1930 in Beijing. In the 1960s, people in China didn't have much food to eat. Many people lost their lives because of this. Yuan was very worried, and he decided to work on a kind of hybrid rice (杂交水稻) to feed more people. He developed a new kind of rice in 1974. To help more people, he travelled around the world and gave advice about growing rice in the 1980s. He helped people not only in China, but also in many other areas (地区) around the world. He died in Changsha in 2021. Yuan Longping won World Food Prize for his work in 2004.

He played an important role in ending hunger. It's Yuan's dream to sit under the ears of rice and enjoy the cool day. He once said, "I dream that rice will grow as high as sorghum (高粱)." People nowadays can live a better life, because he did a great job on rice growing. We should save food and never waste any food. It's the best way to remember him.

- () 26. Yuan decided to work on a new kind of hybrid rice because _____.
A. he wanted to make money

- B. Yuan loved his work very much.
C. In the 1960s, Chinese didn't have much food to eat.
- () 29. What can we learn about Yuan Longping from the passage?
A. Yuan's hybrid rice helps both China and other countries.
B. Yuan Longping won World Food Prize for his work in 2014.
C. It's Yuan's dream to sit under the ears of sorghum and enjoy the cool day.
- () 30. What should we do now?
A. We should save food. B. We shouldn't waste any food.
C. Both A and B.

D

Both of my parents are teachers. Like them, I want to be a teacher, too. My best memories (记忆) are of my mother teaching in my primary school.

I was in Grade Four then. My mother was my English teacher. She always made our lessons so interesting. We played, sang along as she played on the piano and read stories. I believe it was then I wanted to be a teacher just like her.

If I become a teacher, I will make my students laugh and sing, like my mother did. I will try my best to help children who don't have enough money to go to school. In China, everyone should have a chance to get education, no matter (无论) they are rich or poor. I will make friends with children. Children are so lovely. Being their teacher helps me to remember that life does not have to be serious all the time.

To me, being a teacher is the best job I can have. I cannot think of another job that would keep me young at heart.

- () 31. The writer wants to be a _____ when he grows up.
