听下面一段独白，回答第17至20题。现在你有20秒钟的时间阅读这四个小题。

It's time to make New Year's resolutions again. I'm going to make some resolutions this year. First, it's about my self-improvement. I'm going to take up a new hobby. I love singing and dancing, but this year, I want to do something different. Painting is a great activity, so I'm going to learn it. Second, it's about my physical health. Doing exercise is the best way to keep good health. I played basketball only once a week before, and I'm going to play basketball on Monday, Wednesday and Friday every week this year. The last thing is about improving my relationship with my parents. I stay in school for most of my time and I have a good relationship with my teachers and classmates. But I hardly ever have free time to talk with my family. This year, I'm going to spend more time with them. I'm sure I can do well.

(20 秒钟后) 现在你有两分钟的时间将正确答案填涂到客观题答题卡上。

(2 分钟后) 听力考试到此结束。
