Some great inventions have made the world become a better place, especially those help people communicate more easily. Such inventions began in the 11th century, but they have developed greatly in the last century. Let's take a look at the five top inventions.

Movable type (活字印刷术): By using Movable Type, books could be printed cheaply and easily. Bi Sheng invented Movable Type in China in the 11th century.

Telephone: The inventor Alexander Graham Bell made the first telephone call in 1876. "Mr. Watson, come here. I want to see you." he said to his assistant (助手) over the phone line. And with those famous words, the world was about to get much smaller.

Airplane: The Wright brothers made the first powered flight in 1903. Air travel has made the far away places suddenly become a lot closer.

Satellites: The Soviet Union sent up the world's first satellite in 1957. This began the Space Age. Satellites have helped scientists study the earth. Much of our knowledge of the world has come from the information recorded by satellites.

Internet: When the Internet was invented in 1969, only a few people knew about it. But more than 650 million people in the world use it now. The Internet has made information about anything easy to get.

Are you excited that the FIFA World Cup 2022 is around the corner? Follow us to Qatar 2022. There is truly nothing quite like the World Cup. In fact, more people watch the World Cup than any other sports event in the world, even more people than the Olympic Games. So what is FIFA World Cup? The FIFA World Cup is an international football competition that takes place every four years. The FIFA World Cup 2022 took place in Qatar. There are a lot of things that happened for the first time in the FIFA World Cup 2022.

For the first time, the competition was held in the Middle East. This was the first FIFA World Cup played in November and December instead of summer. Do you know why? One reason is that December 18 is a special day in Qatar, it is the birthday of Qatar. So the FIFA World Cup 2022 was held on November 20 and finished on December 18. The other reason is that it is too hot to play in summer. In Qatar, the temperature can reach close to 50°C in summer.

Qatar is the smallest country to host the FIFA World Cup. Qatar is a very small but very wealthy country, because of its rich oil and gas resources. They have spent \$200 billion on the basic systems and services, most of it for the games. The FIFA World Cup 2022 is the most expensive World Cup in history.

Where is Love? How can we find Love?

Once a little boy wanted to meet Love. 81 He got his things ready with some pizzas and drinks and started off. When he passed three streets, he saw an old woman sitting in the park and watching some birds. 82 The boy gave her a pizza. She ate it and smiled at him. The smile was so beautiful that he wanted to see it again, so he gave her a coke. Once again she smiled. The boy was very happy. They sat there all afternoon, eating and smiling, but they said nothing. When it grew dark, the boy decided to leave. But before he had gone more than a few steps, he turned around, ran back to the old woman and gave her a hug. 83

When the boy opened the door of his house, his mother was surprised by the look of joy on his face and asked what had made him so happy. "84 She has got the most beautiful smile in the world."

At the same time, the old woman's son was also surprised at his mother's pleasure and asked why.

"I ate a pizza in the park with Love," she said, "and he is much younger than I expected."

Love is everywhere. Your heart can only open as far as your mind can see. 85

Are you a teenager looking for advice to improve yourself? Here are 5 pieces of advice for you to be better in life!

____86____ You will be healthier if you have good daily habits, such as drinking lots of water and walking for half an hour every day. You might feel it unnecessary to take care of yourself as a teenager right now, but the human body will get weaker over time. You'll thank yourself later!

____87____ Having many friends at school always means whether you are the greatest people or not. But in fact, that's not right! You should spend more time trying to make friends who are good for you. If your best friends like to help others and be active in school, there's a high chance that you will too.

____88____ Money would be your friend during your whole life. However, you won't learn about managing money at school. But you can learn it on your own by using the Internet or reading books. The better you are with money as a teenager, the better you're going to be in the future.

____89____ Comparing yourself to others will make yourself unhappy and you will be less confident. There will always be someone more than you... more money, more friends, more of anything. Instead, compare yourself to who you were yesterday. It is the best way to move forwards and go up in your life.

____90____ It's the key to understand everything about the world by asking "why" to different kinds of topics. Asking "why" helps you learn more about life and express your own opinions on things. The more answers you get to the question "why", the more knowledge you'll get.

Joanna was born in a village near the mountains. Her family made a lot of money by selling the fruit on the mountains over the years. But they were not as rich as the sellers who sold their products far away in the capital city. Joanna decided to go to the capital city to sell the fruit.

When she got there, it wasn't easy to sell. Before selling on the market, the fruit had to be tested to prove (证明) it was safe to eat. Joanna spent all her money on the tests. When she

was allowed to sell her fruit, the fruit was starting to go rotten (腐烂). She lost everything. She was so sad that she walked for a long time. At last, she felt too tired, then she laid down in a corner and fell asleep. When Joanna woke up she found a hole in the wall. This was just a hole. It had nothing, just like her.

Joanna felt so angry. She threw one of her shoes at the hole. To her surprise, she saw it fly through the hole, then some coins fly back out. She threw all her things at the hole, then more coins flew back out. She used the money to buy some new clothes and shoes. The hole always gave her more than she threw into it. So what about the coins? Then she threw all the coins she had into the hole. But this time, nothing came back.

Joanna walked home in her good shoes and new clothes. "If people want more than they need, they will lose everything." She thought, "So we should be happy with what we have." Then she went home happily.

根据短文内容，回答下列问题。（10分）

96. Where was Joanna born?
