My Traditional Cultural Experiences

On May 19, our school organized many traditional cultural activities. I was happy that I learned a lot.

In the morning, I visited Ningbo Museum with my classmates and enjoyed the beauty of traditional arts. Everyone was excited to learn about the long history of the city. At noon, we made Ningbo Tangyuan(Dumplings). We learned it was a symbol of family get-togethers. In the afternoon, we read many ancient local stories and shared them in the story-telling competition, learning about the traditional values of our city.

These activities have not only helped me have a better understanding of our city, but also left a lasting influence on my heart and mind.
