参考范文 (One possible version)

My junior high school life is coming to an end. I have a lot of sweet memories. I'd like to share with you my favourite story about a basketball game. Our team did well at first by beating two strong teams. However, our captain hurt his finger during the third game. We were all down and did badly on the next match. Our coach found this and encouraged us to fight on and cheered us up. He told us we should fight together and never give up until the last second. We finally succeeded in the following games. I would never forget it because I understood the importance of teamwork and of never giving up.
