I'm twelve years old. I live in London. I'm a fat girl. Because I always have a lot of sweet food. I like eating meat. I don't like eating fruit and vegetables. I'm a good girl. I always finish my homework early. But I go to bed late. I listen to my teachers and help my students at school. I don't put my things in order. I always wait for the green man before I cross the road. I walk on the right on the pavement. I usually pick the rubbish on the road. But sometimes I read books on the road when I go home.

Can you give me some good advice? Looking forward to your email.

Love,

Amy
