Dear Grandma,

How are you?

Last Saturday I went to Long Bay with my parents. We got up at 6:00 a.m. We ate breakfast at 6:30 a.m. and after half an hour we left for Long Bay. My father is a good driver and he drove very fast. But I have to say, the trip was a bit long. When we got out of our car and got to Long Bay, it was already ten o'clock!

First we swam in the water for an hour. Then we played cricket(板球) for an hour. It was time to have lunch. We ate a big lunch in a restaurant. In the afternoon my mother and I enjoyed the sunshine on the beach. My father went fishing. He didn't get any fish, but it was very relaxing. Soon it was time to go home. My parents and I left Long Bay. We had a great day last Saturday.

My parents and I will go to see you this weekend. I miss you very much.

June 5th is World Environment Day. This makes us pay more attention to our environment. When Wang Boxuan, a Beijing high school student, uses up his exercise books, he does not throw them away. Each one is kept at his school with hundreds of exercise books that are given by other students. Then they are sold to a Beijing paper-making factory. The paper is recycled and used again by students and teachers in the school. At the same

time, the money that is made from the sales goes to schools in Inner Mongolia (内蒙古). The government there uses the money to plant more trees and grass. This place is one of the sources (源头) of the sandstorms (沙尘暴) that often attack Beijing during springtime.

Wang's school is one of the schools in the capital that take part in the "green promise" environmental protection activity. So far, nearly 210,000 students have taken part in the activity, collecting more than 87 tons of waste paper.

A. many years from now, students will have no exercise books to use
B. many years from now, there will be no waste paper
C. many years from now, the sandstorms will be less serious in Beijing
D. many years from now, Beijing will be much dirtier

() 34. World Environment Day is on _____.
A. June 15th B. July 15th C. June 5th D. July 5th

() 35. Which of the following is RIGHT?
A. The paper is recycled and used again by students and teachers in the school.
B. So far, all students have taken part in the activity, collecting more than 87 tons of waste paper.
C. At the same time, the money that is made from the sales goes to schools in Beijing.
D. Each one is kept at his school with few exercise books that are given by other students.
