七、阅读短文，回答问题（每小题 2 分，共 10 分）

Elsa is my best friend in primary school. At that time, we lived in the same building. We went to the same school. We did almost everything together. Three years ago, Elsa's family moved to another city because her father found a job there. We were both sad. Elsa and I agreed that we would keep in touch. We chat online and send each other messages at the weekends. Today we met online again. Elsa told me her family would come back on holiday at the end of March. Both of us were excited! I invited her to stay with me for a day or two. I'm sure we will have a lot to talk about. I also plan to take her to our School Kite Day. Elsa loves flying kites! On that day, we will watch a show about kites in the school hall. It starts at 9 a.m. We can have a chance to learn all about kites. At 10 a.m. there is a DIY Kite lesson. We can learn some skills, design and make our own special kite. In the afternoon, we will fly kites in the playground from 2 to 4 p.m. I'm sure it will be the best part of her day!
