W: Yes. We want to keep this beach clean.
3. M: Wow, Jenny! The painting is excellent. Let me take a photo of it with my new phone.  
W: Don't do that. Look at the sign on the wall. It says "No photos".
4. W: Ms. Ma is really nice. She teaches History, and that's my favourite subject. What's more, she's really smart.  
M: Mr. Yang is smart too. His Maths class is hard, but I really learn a lot in it.
5. M: Do you want to try this T-shirt on?  
W: Oh, look at this skirt. Will I look nice in it?
6. M: I am not sure where the talk is this afternoon.  
W: Well, it's in the meeting hall and you all need to be there, after your music class at 2:30.
7. W: Come on, Ben. You're going to be late for football practice!

Morning, everyone. I hope you're all looking forward to our camping trip next week. Please remember that the trip costs thirty-nine dollars. We are going to Fairyland Forest Park. That's F-A-I-R-Y-L-A-N-D. We're leaving on Tuesday morning and coming back on Friday afternoon. You must get to school before half past seven on Tuesday. We'll leave at a quarter to eight. Don't be late! We usually go by bus on school trips, but this time the camping place is near a train station, so we'll take the train for a change. You don't need to bring tents or anything like that, but you will need strong shoes. We will do lots of walking. All clear?

听第二篇短文，回答 16~20 小题。

Now here's news of a big event coming to the town soon! It's called the Food Square and it's all about dishes from all over the country. The date of this event is July 17th. Last year there was an event like this in the Trade Centre. Well, this year it's going to be bigger, so it'll be in the Summer Park. They're expecting lots of people to go. It'll be open from half past two p.m. until seven p.m. So get there early if you want to try different snacks. And if you're one of the first hundred visitors, you'll get ice cream for free! Two cooks in our town will be there making special tofu dishes, and you can taste some, too! You can also buy some delicious cakes to take home, so see you there!

Dear students,

To be responsible teenagers, I think we have a lot to do.

First, we should have good manners and behave properly. When we see our teachers, we should greet them warmly. We'd better keep our voice down in public. Always remember to queue for our turns.

Second, everyone should go green in our daily life. We can save water by taking shorter showers. To save power, we should turn off the lights when leaving a room. It's a good habit to separate waste into different groups so that it can be recycled.

Third, we can do a lot of voluntary work to help others. For example, we can save our pocket money and donate it to people in need. It's meaningful to work as volunteers at community centers or libraries at weekends.

I'm sure that the world will be more beautiful if everyone tries hard to be a better self. Thanks for your listening.
