James Dawson, a fifth grader at an American middle school, was eating his lunch one day, when he accidentally swallowed（吞咽）a piece of the plastic on his food. He choked（噎住）and felt hard to breath. Great fear quickly caught him. He thought he was going to die.

Thankfully, a boy James didn't know at all happened to be walking by at just the right time. Luckily, the 11-year-old boy, Arad, knew exactly what to do. He saw James taking hold of his throat, and noticed that the his face had turned completely purple. So he ran behind James immediately and started doing the Heimlich maneuver（海姆立克腹部冲击法）. In the end, James shouted, “It's out! It's out!”

Arad said he'd learned how to do the Heimlich from a book several years before. So he understood the physics behind it. “It is to push air through the airway（气道）to throw whatever is there out,” he explained.

That night, James went home and told his mother the whole story. She wanted so badly to find the child who'd saved her son that she posted what had happened on the Internet. Later, Arad's mother saw it and wrote

her back.

Arad and James became close friends. “He knew what to do and I'm glad he knew what to do,” James said, or I probably wouldn't be talking.”

A giant（大）panda is a kind of bear. It has a white face with black patches（斑点）around its eyes. It also has black ears, shoulders and legs. The rest of its body is white.

Home

Pandas live high up in the mountains of Central and Western China. They live in the bamboo forests there.

Food

Pandas in the wild usually eat bamboo. In zoos, their menu includes bamboo, apples and carrots. A giant panda can eat as much as 30 kilograms of bamboo a day.

Behavior

Pandas like to live on their own. They need to eat a lot to stay healthy, so they spend more than 12 hours a day eating. Although they are big and heavy, it is not difficult for them to climb trees. They are strong enough to protect themselves.

Life

Pandas live for about 20 years in the wild, but in zoos they can live for up to 35 years.

The future

People are cutting down forests, so the pandas are losing their homes. Some people are killing them for their fur. It is cruel of them to do so. There are not many pandas in the world now. It is important for us to protect them.

Treasure Island is a famous story.The hero, Jim Hawkins, finds Captain Flint’s map. Captain Flint was a pirate(海盜) and had lots of gold. He hid his gold before he died, and there is a cross on the map to show where the gold is. It is on an island in the Caribbean Sea. Jim and his friends buy a ship, get some men and go to the island to look for the gold.

They set sail (启航) but then they discover that Long John Silver, the cook, and the other men on the ship are all pirates. The pirates are planning to kill them. As soon as they get to the island, Jim and his friends fight the pirates. The pirates do not kill them, but take the map.

The pirates go to look for the gold, and Jim follows them. Although they find the place, the gold is not there. Later, Jim knows it is because of Ben Gunn. Jim meets Ben Gunn on the island and he tells Jim and his friends his story. He tells them he was a pirate, a friend of Captain Flint. He has now decided not to be a pirate. Ben Gunn found the gold some time before. He agrees to share it with Jim and his friends because they will take him back to England.

When Jim and his friends leave the island, Ben goes with them. On their way home, they stop in America for one night. When they get back to England, Jim decides never to go looking for gold again.
