I often read books in the library or in a bookstore. It is a great way for me to know more about the world. When I read books, time goes quickly. Boys and girls, here's some information about our study tour to Tong'an tomorrow. We will meet in front of the school library at half past seven. So be sure to come on time!

When we arrive there, we will have a welcome party first. After that, we'll learn how to fish and ride a horse. In the afternoon, we will also do some training. After a day's hard work, we can play some exciting games by the fire at night.

Remember to bring a jacket. It can be cold in the mountains even in July. One more thing, bring a notebook so you can write down something important about farming.

See you all bright and early tomorrow morning! Have a nice trip!
