Hi, I'm Tim. Our school had an English Festival last Friday. Let me share it with you.

One of the activities (活动) was a spelling bee. First, the teacher will give you a word. Then you have to say each letter of the word out loud. If you get it right, you move on to the next round. But if you get it wrong, you are out. Sometimes it was difficult but also exciting.

Another activity was English Talent Show. Some students sang English songs and some students acted out their favourite plays. How fantastic! I like it best.

We also had a storytelling activity. A teacher told a story in English and students listened carefully. Then we discussed together and learned some new words.

Finally, we had a food fair with traditional English dishes like fish and chips, sausages, and some dessert. It was delicious. We could try many new foods.

I think the English festival is a great success. It is a fun way for me to make new friends and enjoy more English cultures (文化).
