C

In a place in Thailand, there is a very special festival for monkeys on the last Sunday of November every year. People usually call it Monkey Festival. Because there are many *fruit* (水果) trees in this place, monkeys often come and go. Many years ago, a *businessman* (商人) liked monkeys. He put a lot of fruit, juice and so on in front of the door for the monkeys to have. How happy the monkeys were! As time passed, more and more monkeys came, and the neighbors did it the same way. Later, people in the place planned to prepare a big dinner for the monkeys. The food on the dinner table were the monkeys' favorite fruit and vegetables. In all, people gave over 2,000 kilograms of fruit and vegetables to over 1,000 monkeys.

Monkey Festival became a *tradition* (传统) for all the places in 1989. From then on, it *attracted* (吸引) a lot of people from all over the world to see the monkeys playing and eating. Also, some young people danced to music. These young people dressed up as monkeys to make people feel more interesting.

This festival is a way for people to thank monkeys. It also brings fun to people.

31. Monkey Festival is _____.

A. at the beginning of December B. at the end of December
C. at the beginning of November D. at the end of November

32. Where did people let the monkeys eat fruit at first?

A. In front of the door. B. In the hall.
C. On the playground. D. Under a big tree.

33. On the Monkey Festival, the monkeys can enjoy _____.

A. only juice B. fruit and vegetables
