I am happy to get your letter. I know it is warm and sunny in Canada and you are having fun there. I don't go to the summer camp with you, but I still have a good time in the village.

I live in my uncle and aunt's house. My cousin John takes me to visit the farm, and we feed the pigs (猪), the dogs and the chickens. I think it is really interesting. We go swimming in the river in the afternoon and we catch some fish. My aunt cooks the fish for us and it tastes very delicious. Sometimes my cousin and I have a picnic (野餐) in the mountains.
