There are summer youth camps in most countries around the world. For some parents and children, summer camps have become a way of life every year. It is time for them to make new friends and try different things. Most children can learn to do things themselves and develop the sense of independence. That can help them be confident(自信) and successful in life.

Of course, it costs money to send children to summer camps but some parents might have no time to be with their children over the holidays. For those parents who have to continue to work, it's also a good chance for them to do things themselves.

Not only can summer camps be an enjoyable experience for children, but also they can give parents the chance to have more time for themselves. It's a great way for mums and dads to take a breath.

If you choose a summer camp, you can use it as a chance to improve their skills. Your children can get many skills such as learning languages, general practical skills, problem-solving (解决) activities and so on, or even social skills for children. You may have many reasons for sending your children to a summer camp, but you can be sure that they will be having fun. These camps can teach people in an interesting environment and they can get the most valuable experience.

“The Chinese Dream” is a hot topic. Many Chinese young people are inspired (受到启发) by the Chinese Dream. Everyone has his own dreams. They give us courage (勇气) and confidence(自信) to keep us going through difficulties. Here is some advice on how to realize (实现) our beautiful dreams.

Never giving up is the key to making our dreams come true. We may fail (失败) from time to time, but we can learn from failures, correct our mistakes and try again until we achieve (实现) our goals. Our life is like a long journey which is not with all flowers. It sometimes has wind and rain. We believe rainbows(彩虹) will appear after storms.

Cooperation (合作) is also necessary. Everyone likes a person who is good at cooperating with others. Besides, in our society most problems can't be solved by one person alone. Cooperation is becoming one of the most important ways for people living in the developing (发展的) society.

At the same time, we should learn to examine our abilities because it helps us know our advantages and disadvantages as well as get a full control of ourselves. Then we may be confident enough to face challenges. (挑战)

Follow the suggestions above, and our dreams are sure to come true.

根据语篇内容, 选择最佳选项。
