When we don't understand each other's language, we talk with the help of signs.
A Frenchman was once travelling in England. He could not speak English at all. One day he went into a restaurant and sat down at a table. When the waiter came, he opened his mouth, put his fingers into it and took them out again. The waiter soon brought him a cup of tea. The man shook his head. The waiter took away the tea and then he brought him a cup of coffee. The man again shook his head. Then the waiter brought him a lot of drinks, but the man still shook his head. Of course, drinks are not food.
When the man was leaving, another man came in. This man saw the waiter, and he put his hands on his stomach. That was enough. In a few minutes, there was a large plate of meat and vegetables on the table in front of him. How clever he was! .

American country music is famous all over the world, such as the songs of John Denver. Many people enjoy listening to the music in their free time. But some people still don't know where it began.
Country music comes from folk music of the Appalachian Mountains in the east of America. There people sing while playing the guitar and the violin. They sing about everyday life, love and their problems. So the songs are sometimes a little sad.
John Denver is one of the most popular country music singers. He is also quite famous to the Chinese. For John Denver, music is a language that can bring the world together. He says music can bring people together. They will understand each other through music. People are different in colour and they may speak different languages, but people are the same in mind and body. All of them love music and can understand music.
The world lost a great man when John Denver died in 1997. But his words and music will still live on.
