Dear Mike,

Thanks for your e-mail. I'm fine these days. I also had a great school trip last week.

We went camping in the Nanshan grassland. There my classmates and I sang and danced first. Then I played badminton with my deskmate. Next we had a picnic. We prepared all kinds of food. They were delicious. At last my classmates and I played games with our teachers. I really had a good time.

Summer holiday is coming. Hope you will have a good time!

Yours,
Sun Ning

Bill had a great day last Sunday. He visited his uncle in Qingdao with his parents. In the morning, they took a train there. His uncle met them at the train station. His aunt and his cousin Nancy were glad to see them. After a quick breakfast in a restaurant, his uncle took them to the beach first. Then they went to Wusi Square. They took some photos there. It was fine and kind of hot that day. They were all a little bit tired, so they had some drinks and took a rest. It was rainy in the afternoon, so they went shopping. In the evening, they saw a movie together. Bill didn't like it, but his parents said it was great.
