For school students, making a homework plan(计划) is important. But how to make it? Here are some steps(步骤).

First, be sure to remember what your teachers want you to do. Don't forget to ask questions about your homework. It's much easier to take a minute to ask the teacher in or after class than to think hard all the night!

Second, use any free time in your classroom to work on your homework. Many schools have study halls. It's interesting to play with your friends and classmates after class at school, but the more work you do in school, the less(较少的) you'll have to do that night.

Third, pace yourself(自我调整). If you don't finish your homework at school, think about how much you have, and then plan your time. Most school students have between 1 and 1.5 hours of homework at night. If it's a day with less homework, you can enjoy yourself more, or you'll have to say sorry to your game show or movies on TV.

11. There are _____ steps to make a homework plan.
A. two B. three C. four
12. How many hours do most students need to do homework at night?
A. Between 0.5 and 1 hour. B. Between 1 and 1.5 hours
C. Between 1.5 and 2 hours.
13. The underlined word "or" means "_____" in Chinese.
A. 或者 B. 也不 C. 否则
14. "_____" is **NOT** a good idea.
A. Ask questions about your homework.
B. Use any free time in your classroom.
C. Watch movies if you don't finish your homework.
15. What's the best title of the passage?
A. How to make a homework plan B. When to do homework
C. Why to ask the questions in class
