84. Would you like to play football with me

85. They had a good talk last night

86. One possible version:

Of all the four seasons, winter is my favourite. In winter, the weather is cold. People need to wear warm clothes. It often snows in this season. After snowing everything becomes white. It looks very beautiful. We can also go skating on the ice or go skiing in the snow happily. My friend and I usually make a snowman and have snowball fights. We have a good time together. I like winter and I'm waiting for it.
