We had a science class yesterday. Our science teacher told us that the sun, the moon and the stars are all in the sky. The sun is much bigger than the earth. The earth is much bigger than the moon. There is no air or water on the moon. It's hot during the day and very cold at night. Nobody can live there. "Is it true?" I thought.

At night, I went to the moon by a spaceship. I saw Chang'e and her rabbit. Chang'e is very beautiful. She made some mooncakes for me. They were delicious. I

talked with Chang'e for an hour. Unluckily, the spaceship was broken. I can't go back to the earth. I cried and cried. Then I woke up. Oh, it was a dream.
