Li Tao, a Junior 1 student, was quite busy over the past winter vacation but not just with homework. Li, together with his 10 classmates made a volunteer group to call on people to join in The "Clean Your Plate Campaign" (光盘行动).

The 11 students went to many restaurants and told people the importance of saving food. "Excuse me, do you know that 950 million people around the world still haven't got enough to eat? Please don't waste food." They would say that hundreds of times every day.

China in these years has serious problems with wasted food. CCTV reports that the food Chinese people waste every year is enough to feed 200 million people for a year.

Chinese people are well-known for being generous (慷慨的). Many even feel that they lose face if their guests have eaten all the food.

To reduce food waste is a big task, and it needs time. It's important that everyone should do their bit, just like Li. Did you finish your meals today?

Zheng Xin is a firefighter (消防员). One day he was trying his best to control the fire of a burning house. Outside, he heard the cats crying. He couldn't stop his work at the moment, but he decided to look for the cats after the fire was put (A) _____.

(B) took, a, control, long, it, time, to, the, fire. Luckily, no one inside was hurt. Then he began to find out where the cat noises were from. There was still a lot of smoke and heat coming from the building. He followed the cat noises to the sidewalk in front of the house. There were five scared baby cats crying together. They must have been inside the building, as their fur was badly hurt. Zheng Xin wanted to find the mother cat. Clearly, she had gone into the burning house and carried out all her babies, one by one-unbelievable.

He finally found her. Her paws and face were blackened, and her fur was burned all over. He could even see her reddened skin (皮肤) under the burned fur. She could hardly move. Zheng Xin picked her up and let her relax in his arms. He decided to save this brave mother cat and her (C) family.

The animal doctors told him they would watch the baby cats and their mother carefully, but they weren't confident about the mother's chances. They provided her with the best medical care. About a week later, Zheng Xin was excited that the mother cat would be alive. They named her Scarlet because of the color of her skin.

Zheng Xin was happy that Scarlet got together with the baby cats again. She touched each (D) _____ them, nose to nose. She risked her life and all of her babies were saved. As a firefighter, Zheng Xin sees heroic acts every day. But that day, what Scarlet showed him was (E) _____.
