Dear Lucy,

I'm happy to hear from you. You said you had nothing to do after finishing your homework and you felt very bored. To be honest, I had this problem before. Here I can give you some advice. Do you like sports? You can do some sports to relax yourself and it's good for your health. For example, you can play football with your friends after school. Do you have any hobbies? You can find something you like to do to make your life colorful. I'm sure you'll get a lot of fun from it.
